Communication and Thinking Skills

Ansus Consulting – Skills for Success

Ansus Consulting is a specialist in the field of **communication and thinking skills** and provides you knowledge and methods to improve your career and personal development.

For this purpose, we have created a powerful package combining effective **coaching** and **consulting** tools. This hybrid concept allows us to offer you highly flexible, tailored solutions to make you and your business grow.

Our services include topics regarding:

Thinking skills: creative thinking, problem solving, decision making, risk analysis, time management, conflict management, emotional intelligence, effective learning

Communication skills: persuasive presentations, NLP, intercultural communication, leadership skills, motivation, team building

Language services: language courses (German, English, French), document translation and interpretation

Another strong point of Ansus Consulting is **“Language Plus”**: all services of coaching, consulting, and seminars are available in English, German or Italian language.
